Whether selecting Sapphire at Fernhill for a short stay to recover from an illness or injury, or to stay with us long term, our team of clinicians, social workers, dieticians, and therapists collaborate to align with the goals of your stay. Our carefully selected staff are honored to assist residents with activities of daily living such as dressing, bathing, grooming, medications, dining, and mobility.

Each resident is encouraged to select their own daily agenda and activities, while feeling secure in knowing that we are there to provide support when needed.

Sapphire at Fernhill offers a skilled nursing and rehabilitation program built around each individual's life history, heritage, current abilities and interests – this is our "person-centered" approach to care!

Exceptional care, heartfelt connection — Welcome to Sapphire.
